## Partners In Construction Process

### TILES :

O2 Valley believes in qualitative approach rather than quantitative. Thus, while choosing the products to make your homes beautiful as well as to enhance quality, we have opted for **JOHNSON TILES** for all the units irrespective of the size. **JOHNSON TILES** is the leading manufacturer of tiles and has earned substantial name in the Indian market. The reliability, quality, strength and finish will further enhance the feel of your dream home.

### PAINT :

Believing in the efficacy of our word given to the customers, O2 Valley has again delivered on what was promised and has decided to use **ASIAN PAINTS** on the project. The company is the largest paint company in India and is the second largest in Asia. It has also secured a place in **FORBES ASIA'S "FAB 50"** list of companies. The excellent quality of the paint will further give an exuberant look to your home.

O2 VALLEY is committed to the standards promised and thus have laced with top leading brands in the market to ensure qualitative work in the project. We are committed to deliver the units as per the standards promised by us with full responsibility.

## Developments In The Nearby Infrastructure

### SCHOOL

Education has now literally come at the doorstep of your future home. The renowned **RYAN INTERNATIONAL SCHOOL** has started operating just 200 metres from the project site. **RYAN INTERNATIONAL SCHOOL** is a premier educational institution, developing human resource by fostering all-round development in children, in the truest sense of the word. It would not only give your child access to quality education but will also keep you off from the hassle of travelling long distances every day.

### METRO

A new metro rail network will shortly be developed between Noida and Greater Noida. Measuring 29.707 km, it will be developed at an estimated cost of Rs 5,064 crore. The detailed project report (DPR) has already been prepared by Delhi Metro Rail Corporation.

It will enter Greater Noida through Knowledge Park-II and traverse Pari Chowk, Sector-Alpha 1 and 2, before terminating at Depot station proposed near recreational green, Knowledge Park-IV in Greater Noida. The entire Metro alignment is proposed to be elevated. The metro link is expected to be commissioned by 2017. (Source : [www.greaternoidaauthority.in](http://www.greaternoidaauthority.in))

## Recent Economic Steps By Banks And Rbi To Ease Interest Rates

The recent intervention of RBI in cutting down the repo rate has enabled the banks to cut down on the lending interest rates. Many banks have already cut down their rates and transferred the advantage to its customers.

This would eventually enable the loan holder to raise the loan at a much cheaper price and thus benefitting all the stakeholders. kindly approach your respective banks for further details or you can also contact us in case of any doubts.
